

*Welcome to Billings Avalanche!*

*Included with this letter is a packet of documents that you and your athlete need to complete, sign, and return to your coach at the **mandatory parents meeting on Monday, February 8th at 6:00pm at Elder Grove**. Please complete the front and back of all pages and include your first or full payment.*

*The following is information to be aware of as we begin the 2021 season.*

*Team practices will begin next week and the first tournaments will take place early March. Practice and tournament schedules are available at [www.billingsavalanche.com](http://www.billingsavalanche.com). We have attempted to be consistent with our practice schedule, however there may be changes later on if things do arise.*

*Player packages include a dry-fit t-shirt jersey. Nothing will need to be returned at the end of the season. We will provide a form for any extra apparel: warm up, sweatpants, tshirts, etc.*

*We are hosting the 10th Annual Avalanche Tournament on **May 1st and May 2nd**. We are also hosting U12's-U14's on March 6th and March 7th, as well as U12's on March 27th. Each player or parent is required to work a four-hour shift **OR** pay an additional **\$50**. There is a schedule on the website under Schedules and Forms. I will send a work list for you to insert your name. \*Many parents choose to work the day and location that their daughter will be playing.*

*The easiest way for us to communicate information with parents is through email. We will add you to an email list and communicate most information via email. If you don't start receiving emails let us know so we can fix the problem. You can also "like" our facebook page or visit our website at [www.billingsavalanche.com](http://www.billingsavalanche.com)*

*Congratulations on making the team! We are excited to get this season started. Please let us know if you have any questions or concerns.*

*~Jesse Moore
